

## Linton on Ouse History Group

### Maps and Memories

**19<sup>th</sup> July 3pm to 5pm**

### The College Arms

Please join us to capture some memories of life in Linton on Ouse and the surrounding district. Everyone is welcome, even if you have lived in the village a few years your experience is still part of our history.

This will be the first of several sessions (we appreciate that it may be difficult for some people to attend in the afternoon). The purpose is:

- To collect information about what it was like to live in Linton on Ouse over the last century
- To share ideas on how the history of the village should be gathered and preserved for future generations
- Enjoy reminiscing with friends and neighbours

As the village hall will be closed the landlord of the College Arms has kindly agreed we can use the bar area

**Tea and biscuits will be provided**
