

## Affordable Housing Project

As you will be aware we have now started on site with the 20 homes development at the end of Linton Meadows. If you are eligible to apply, you should all by now be registered on [www.northyorkshirehomechoice.org.uk](http://www.northyorkshirehomechoice.org.uk) as this is the formal mechanism for allocation all new build homes. These homes will be completed and ready for occupation by end March 2015.

Watch this space, as we will be holding an Community Consultation Day in January 2015, this will allow you the opportunity to come along and find out what happens next, what the rents will be and how we will keep you informed. We will let you know the date and time in the next newsletter.
