Dear Sir/Madam,

Resurfacing Works at Aldwark

This letter is to inform you that North Yorkshire County Council will be carrying out carriageway resurfacing work on the carriageway to the south of Aldwark Village between the access to the Hotel Golf Club and the access to the south of Aldwark Village.

This scheme is programmed to be on site from the 17th November 2014 to the 19th December 2014. However, as these works are weather dependant the dates may alter slightly from the above.

In order for the works to be carried out efficiently and safely, the road will be closed during the dates and hours stated above. During the closure every attempt will be made to maintain access to properties and businesses, however due to the nature of the works, there may be times where access may be restricted. Your co-operation in taking extra care within the works throughout this period will be appreciated.

Advanced notification signs will be placed on the Highway advising motorists of the area of closure, and the diversion route around the works will be clearly signed and suitable for all types of traffic. Every effort will be made to discourage traffic from using unsuitable routes wherever possible.

The Contractor for the works will be Ringway Infrastructure Services Ltd. and their representative on site can be contacted on 08458 727374.

I apologise for any inconvenience that may be caused and every attempt will be made to keep this to a minimum.

Yours faithfully,

Jayne Charlton
Improvement Manager
